Dear Mike Morrow:

RE: Partners in Preparedness

On behalf of Kevin Wallinger, Director of Emergency Management, I am pleased to present you with a plaque recognizing your company's contributions to the City of Vancouver's Emergency Program. The Partners in Preparedness program is designed to recognize contributions from industry to the City of Vancouver's Emergency Program.

Beyond the provision of your company's core product, EmerGeo, you have personally participated in and supported the planning and execution of a number of the city's emergency operations centre exercises, and provided additional support and hands-on training by embedding EmerGeo technical staff in our EOC during exercises.

We thank you for your ongoing commitment to the City of Vancouver's Emergency Program and we look forward to future collaborations as we continue building resilience within the city.

Yours truly,

Daniel Stevens, M.Sc., A.B.C.P.
